**Groningen Student Programming Contest****Get ready for the BAPC**

The BAPC is the Benelux Algorithm Programming Contest, a programming contest organized for students and firms all over the Benelux. This year the BAPC will be organised in Utrecht. However, every university organizes its own preliminary rounds, since there is only a limited number of teams which can participate. So, if you would like to participate in the BAPC, or would just like to see what it is to participate in a programming contest at all, come to the Groningen Student Programming Contest! Teams consist of at most 3 persons. The contest will take place on the 28th of October in room 228 of the Bernoulliborg, and starts at 13:00. The rules for the contest can be found [here](#). If you have any questions, or wish to register please send an e-mail to the [board](#).

Saturday 28th of September, GSPC @ room 228 of The Bernoulliborg, 13:00

**Prominent in de Tent**

Due to certain recent events Prominent in de Tent changed its location from Huize Maas to Kokomo (Gelkingestraat 1). The deal we had remains the same, so you can still get all the beer, wine and soda you want for just 19 euros of entrance fee! So if you want to go to this awesome party, ask the board for tickets.

Tuesday 8th of October, Prominent in de Tent @ Kokome Beach Club, 23:00
